***St. Patrick's College will offer assistance to students seeking accommodation on a referral basis only. Students will receive a list of housing from which they may select accommodation, at their discretion. All accommodation is managed privately. Students are recommended to contact the landlord directly for information about accommodation on offer. St. Patrick's College will not check any accommodation. Students must satisfy themselves that the accommodation on offer is suitable before entering into any agreements with a landlord. St. Patrick's College has no interaction between the student (tenant) and the landlord. St. Patrick's College is not responsible for any agreements reached between tenants and landlords and does not enter into disputes between tenants and landlords. St. Patrick's College will not provide landlords with any contact details for students.***
